Fall classes begin Tues Sept 10th

Ms. Tiffany's soloists should start their routines over the summer with another staff member and she will finish it when she returns in the fall. Music and style can be selected with Ms. Tiffany prior to privates. It is important to start your solo if you are planning to compete in our fall competition. Most solos are not completed over the summer but it is the best head start to be fully prepared for our fall competition. In the event your solo is not completed. It will be completed in the fall by the teacher you signed up for fall privates with. If you have any additional questions please email us.
